## COUNCIL COMMUNICATION

AGENDA TITLE: Traffic Resolution Amendment - Parking on Central Avenue,  
Flora Street to Harold Street

MEETING DATE: October 16, 1991

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council amend the Traffic Resolution #87-163,  
Section 4 - Angle Parking Areas.

BACKGROUND INFORMATION: Public Works Department staff recently discovered an error  
in the angle parking section of the Traffic Resolution.  
At the request of adjacent residents, City Council removed  
the diagonal parking stalls on Central Avenue from the  
alley south of Lodi Avenue to Flora Street on March 20, 1985 (see attached  
exhibit). On January 16, 1985, City Council, for safety reasons, also approved  
replacing the diagonal stalls with parallel stalls on Central Avenue, north and  
south of Eden Street. When the Traffic Resolution was adopted in 1987, these  
changes were not included.

Staff recommends no changes to the existing parking and that Section 4 of the  
Traffic Resolution be amended to show angle parking as follows:

Central Avenue [east side) from ~~Wilborn~~ Flora Street to Harold Street  
except four parking stalls at Eden Street.

Central Avenue (west side) from ~~alley-south-of-Lodi-Avenue~~ Flora  
Street to Harold Street except three parking stalls at Eden Street.

FUNDING: Not applicable.
